MDL 1456 Status Report
State of California, *ex rel.* Ven-A-Care v. Abbott Laboratories, *et al.*
Case No.: 1:03-cv-11226-PBS

Motion to Remand Case to State Court:

Notice of withdrawal of such motion filed 9/29/04.

Motion to Dismiss Medicaid Rebate Fraud Claims Without Prejudice:

Notice of withdrawal of such motion filed 9/29/04.

Complaint-in-Intervention:

Plaintiffs intend to file an amended Complaint-in-Intervention, pursuant to the Federal Rules of Civil Procedure, which will supersede the original Complaint-in-Intervention filed against defendants ABBOTT LABORATORIES, INC., WYETH INC., and WYETH PHARMACEUTICALS, INC. in California State Court on January 7, 2003.

Anticipated Filings:

The Attorney General of California will file additional motions, under seal, as are necessary to fully and effectively prosecute this case under the California False Claims Act (Cal. Gov't. Code §§ 12650, *et seq.*). In addition, plaintiffs will request a Status Conference and the entry of a Case Management Order by a motion to be filed soon.

Tutorial:

California and Ven-A-Care had requested that the Court permit their participation in the planned December 2004 tutorial. On November 10, 2004, Judge Saris issued an order stating that "[t]he December tutorial was suggested in the context of the pending motion for class certification." The Court indicated that it would welcome a tutorial when it becomes relevant to a pending motion. It is anticipated that California and Ven-A-Care will be requesting that the Court authorize a tutorial in the California case at a later date.

Class certification:

California filed its position regarding class certification and potential infringement on California's state case on February 10, 2005.

Order re sealing inadvertently disclosed information:

California filed an ex-parte application for redacting and sealing of inadvertent disclosure of erroneous information filed on February 9, 2005 and received an order on February 17, 2005 granting California's request regarding the inadvertent disclosure of sealed defendants.
